Read the following passage and answer the questions that follow.

More girls are playing high school football, even as the sport draws fewer participants overall in an injury-conscious era.

As part of Super Bowl LII in Minneapolis, the National Football League organized its third Women's Summit for Friday "to discuss how football and the broader sports world can continue to support the advancement of women on and off the field," said Kamran Mumtaz, an N.F.L. spokesman.

The sport remains male-dominated, with no women playing in the N.F.L. and few on college teams. But some high school girls, playing on teams of boys, are gaining attention for their achievements.

For example, last fall, the high school quarterback Holly Neher threw a touchdown pass in Florida, making headlines as the first girl known to do so in state history.

And K-Lani Nava, a kicker, became the first girl in Texas to score points in a high school state championship game.

But as a growing body of research suggests that youth tackle football is harmful to children's brains, not everyone is cheering.

शुक्ल जी के निबंध गंभीर एक विचारपरक होते हैं। उनमें सूत्रबद्धता एवं व्यवस्थित केन्द्रोन्मुखता होती है। मनोविकारों की परिभाषा करना कठिन होता है। किंतु शुक्ल जी प्रायः निबंध का प्रारंभ परिभाषा से करते हैं। यहाँ उनका कोशकार रूप सामने आता है। वे कोई सूत्र एक वाक्य में प्रस्तुत कर देते हैं और फिर उसकी व्याख्या में प्रवृत्त होते हैं। व्याख्या करके वे आवश्यकतानुसार सामान्य जीवन-खंड से कोई दृष्टांत भी प्रस्तुत कर देते हैं। इससे निबंध का वह सूत्र हृदयंगम हो जाता है।
