Question Label : Comprehension

Read the following information carefully and answer the given questions.

By the mid 19th century, mass production of paper patterns, the emergence of the home sewing machine and the convenience of mail order catalogues brought fashionable clothing into the American home. By the early 20th century, home economists working in extension and outreach programmes taught women how to use paper patterns to improve the fit and efficiency of new garments as well as how to update the existing ones. Teachers of home economics traditionally made home sewing a critical part of their curriculum, emphasising self sufficiency and resourcefulness for young women. However, with the increasing availability of mass produced clothing in catalogues and department stores, more and more women preferred buying garments to making them. As a result, home economists shifted their attention to consumer education. Through field study, analysis and research, they became experts on the purchase and preservation of ready to wear clothing for the family, offering budgeting instruction targeted at adolescent girls. Modern home sewing made it possible for American women to transcend their economic differences and geographic locations with clothing that increasingly standardised. The democratisation of fashion continued through the 20th century as the ready-to-wear market expanded and home sewing became more of a pastime than necessity.

एक गद्यांश दिया गया है। गद्यांश को ध्यानपूर्वक पढें तथा प्रत्येक प्रश्न के चार विकल्पों में से सही विकल्प चुने

किसी भी स्वतंत्र राष्ट्र की अपनी एक भाषा होती है जो उसका गौरव होती है। राष्ट्रीय एकता और राष्ट्र के स्थायित्व के लिए राष्ट्रभाषा अनिवार्य रूप से होनी चाहिए जो किसी भी राष्ट्र के लिये सर्वोपिर होती हैं। स्वतंत्रता के बाद भारत की संविधान सभा ने 14 सितम्बर 1949 को हिंदीभाषा को भारत संघ की राजभाषा के रूप में मान्यता दी थीं। किसी भी भाषा को राष्ट्रभाषा बनने के लिए उसमें सर्वव्यापकता, प्रचुर साहित्य रचना, बनावट की दृष्टि से सरलता और वैज्ञानिकता, सब प्रकार के भावों को प्रकट करने का सामर्थ्य आदि गुण होने अनिवार्य होते हैं। यह सभी गुण हिंदी भाषा में है। हिन्दी जनसंपर्क का सरल व सुगम साधन है। आजादी के बाद जब संपूर्ण राष्ट्र को एक सूत्र में बाँध कर रखने की आवश्यकता महसूस हुई तो ये उत्तरदायित्व हिंदी को दिया गया। तभी 14 सितम्बर 1949 को हिंदी को राजभाषा के पद पर आसीन किया गया। आज हिंदी भाषा को अपने ही घर में, अपने ही देश में श्वास लेने में कठिनाई हो रही है। हम हिंदी में लिखना नहीं चाहते, पढ़ना नहीं चाहते, बोलना नहीं चाहते। महात्मा गाँधी का कथन – 'राष्ट्रभाषा के बिना देश गूंगा है।' अथवा श्री कमूलापति त्रिपाठी का कथन – 'हिंदी भारतीय संस्कृति की आतमा है।' विश्व में हिंदी भाषा नें अपनी पहचान बनाने के लिए हमारे विचारों की सुदृढ़ नींव रखी। रामचरितमानस, सूरदास के पेद, भगवद्गीता आदि अनेक महाने ग्रंथ जिनकी प्रशंसा करते पूरा विश्वे नहीं थकता, उनके आनंद में सब आर्नीदेंत होना चाहते हैं। यहाँ पर एक विशेष ध्यान देने योग्य तथ्य यह है कि हिंदी का अर्थ सिर्फ खड़ी बोली से नहीं है। हिंदी परिवार में इसके जितने रूप हैं वे सब हिंदी ही है। भाषा हमारे विचारों के आदान-प्रदान का एक सशक्त माध्यम है। हजारी प्रसाद द्विवेदी जी ने कहा है- मनुष्य ही बड़ी चीज़ है और भाषा उसी की सेवा के लिए हैं। वहीं कबीर दास जी ने भाषा को 'बहता नीर' कहा है। यदि दोनों विद्वानों के कथन को मिलाकर देखा जाए तो हिंदी भाषा बहता नीर बन कर मनुष्य की सेवा कर रही है।
